Anderton Lift (*Waterway Images*)

# SAVED

Restored and reopened 2002. Our campaign had  
started when it was closed in 1983.

The **Trent and Mersey Canal Society** was founded in 1974 to promote the future well-being of the waterway at a time when Harecastle Tunnel was closed and repairs looked unlikely. Since then it has also fought for the repair and re-opening of the Anderton Boat Lift, and now provides a focus for all who are interested in this time honoured old canal – navigators, naturalists, businesses, farmers, residents and visitors alike. We are dedicated and committed to our canal – one of Britain’s oldest and best loved canals. Throughout its 93½ miles, this superb waterway runs through some of the region’s most breath-taking scenery, boasts historic waterway architecture and has some magnificent engineering features – especially the twin Harecastle Tunnels and the Anderton Boat Lift. If you would like to help us preserve such structures, and to receive our bi-monthly magazine “*Grand Trunk*” (the original name for our canal), then please join the society.

## GIFT AID DECLARATION

I want the Trent and Mersey Canal Society to treat as Gift Aid donations all qualifying gifts of money (including membership subscriptions) made today, in the past 4 years, and in the future.

*I confirm I have paid, or will pay, an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give.*
